## 5. Planned expenditure

The three headings below enable schools to demonstrate how they are using the pupil premium to improve classroom pedagogy, provide targeted support and support whole school strategies.

## i. Quality of teaching for all

Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
Improved attainment in writing at the end of KS2	Hubs; Middle leaders will engage with the Trust-wide network to ensure the highest quality delivery of a broad and balanced curriculum.  All staff to focus on 'Implement/Intent and Impact'.  Additional class being added so classes will be smaller.	Ofsted's new inspection framework will place an increased emphasis on curriculum as part of a new quality of education grade, which will also look at teaching and learning and outcomes for pupils.  The inspectorate has said that it will assess curriculum through intent, implementation and impact.  Ms Fearn - Ofsted said: "Intent is about what leaders intend pupils to learn. It's as simple as that. Intent is everything up to the point at which teaching happens."  She said that, according to Ofsted's new framework, "good intent" has the following four features:  a curriculum that is ambitious for all pupils; a curriculum that is coherently planned and sequenced; a curriculum that is successfully adapted, designed and developed for pupils with special educational needs and/or disabilities; a curriculum that is broad and balanced for all pupils.  Ms Fearn said that, in order to assess intent, inspectors will "consider the curriculum leadership provided by senior, subject and curriculum leaders".  EEF: As the size of a class or teaching group gets smaller it is suggested that the range of approaches a teacher can employ and the amount of attention each student will receive will increase, improving outcomes for pupils.	All staff to have a greater understanding of the position of each subjects current focus, good practice and shared resources.  All staff to feel supported in middle leadership roles (strategic and school based) with a focus on accountability (curriculum, books and data position).  Lesson observations to look at challenge/impact.  Pupil progress meetings identify target children forensically.  Book monitoring to dig deeper into how effective the teacher/pupil 'response' to the work has been ie- has it improved the child's progress? Pupils eligible for PP will have access to SEMH support through the Inclusion Hub	Pupils will be identified through Boxall profiling who need SEMH support.  Pupils will access the Link Academy Inclusion Hub, Early help, Play Therapy, SEMH interventions e.g. Lego therapy, Therapeutic Play etc  Access to MAST  Inclusion Hub – access SEMH support (SEMH courses for children & outdoor forest school sessions)	The Boxall Profile is an invaluable resource for the assessment of children and young people's social, emotional and behavioural development. Nurture UK  Feedback from previously participating schools report a positive change in a child's ability to self-regulate, which has enabled them to access curricular learning more effectively.  Our Inclusion Hub offers weekly courses for children, designed to address an element of SEMH (such as anxiety, anger management). For children with high levels of emotional need (particularly those at risk of exclusion) a longer, outdoor session is offered where children have the opportunity to engage in forest school activities, whilst exploring ways of managing their emotions	Boxall Profile reviews termly  Pre-course questionnaires sent out to participating children, teachers, and parents (pre and post sessions) to measure impact. Increased attendance rates for pupils eligible for PP.	Close monitoring of attendance for PP pupils to identify those with poor attendance (rag rated amber for 92% - 95%, and red for below 92%)  Follow the correct academy procedure for issuing attendance warnings, which may result in EWO involvement and possible prosecution.  Identify barriers to attendance/look for trends. The PPG could be used for aiding attendance where specific barriers have been identified (such as transport).	Children cannot learn if they are not in school. Increased levels of attendance will ensure that children are in sessions and are consistently in school to learn.	Head of School and admin to identify those PP pupils who are in the amber/red range. Actions to be agreed and carried forward promptly. Termly reviewed.	Academy Head Senior Administrat or	Termly
